12 the capital budget for any new building or facility.

13 The Board of Higher Education shall submit to the Governor,  
14 to the General Assembly, and to the appropriate budget agencies  
15 of the Governor and General Assembly its analysis and

26 Beginning in Fiscal Year 2013, the Board of Higher

1 Education budget recommendations to the Governor and the  
2 General Assembly shall include allocations to public  
3 institutions of higher education based upon performance  
4 metrics designed to promote and measure student success in  
5 degree and certificate completion. Public university ~~These~~  
6 metrics must be adopted by the Board by rule, and public  
7 community college metrics must be adopted by the Illinois  
8 Community College Board by rule. These metrics must be  
9 developed and promulgated in accordance with the following  
10 principles:

11 (1) The metrics must be developed in consultation with  
12 public institutions of higher education, as well as other

14 organizations, associations, interests, and stakeholders  
15 as deemed appropriate by the Board.

16 (2) The metrics shall include provisions for  
17 recognizing the demands on and rewarding the performance of  
18 institutions in advancing the success of students who are  
19 academically or financially at risk, including

21 students traditionally underrepresented in higher  
22 education, as specified in Section 9.16 of this Act.

25 higher education.

26 (4) The metrics shall focus on the fundamental goal of

1 increasing completion of college courses, certificates,  
2 and degrees. Performance metrics shall recognize the  
3 unique and broad mission of public community colleges  
4 through consideration of additional factors including, but  
5 not limited to, enrollment, progress through key academic  
6 milestones, transfer to a baccalaureate institution, and  
7 degree completion.

8 (5) The metrics must be designed to maintain the  
9 quality of degrees, certificates, courses, and programs.

10 In devising performance metrics, the Board may be guided by the  
11 report of the Higher Education Finance Study Commission.

12 Each State university ~~state supported institution within~~  
13 ~~the application of this Act~~ must submit its plan for capital  
14 improvements of non-instructional facilities to the Board for  
15 approval before final commitments are made if the total cost of  
16 the project as approved by the institution's board of control  
17 is in excess of \$2 million. Non-instructional uses shall  
18 include but not be limited to dormitories, union buildings,  
19 field houses, stadium, other recreational facilities and  
20 parking lots. The Board shall determine whether or not any  
21 project submitted for approval is consistent with the master  
22 plan for higher education and with instructional buildings that

1 (110 ILCS 805/3-2) (from Ch. 122, par. 103-2)

2 Sec. 3-2. Upon the receipt of such a petition, the State  
3 Board shall, in cooperation with the regional superintendent of  
4 the county or counties in which the territory of the proposed  
5 district is located, cause a study to be made of the territory  
6 of the proposed district and the community college needs and  
7 condition thereof and the area within and adjacent thereto in  
8 relation to existing facilities for general education,  
9 including pre-professional curricula and for training in  
10 occupational activities, and in relation to a factual survey of  
11 the possible enrollment, assessed valuation, industrial  
12 business, agricultural and other conditions reflecting  
13 educational needs in the area to be served, in order to  
14 determine whether in its judgment the proposed district may  
15 adequately maintain a community college in accordance with such  
16 desirable standards. In reviewing the application the State  
17 Board shall consider the feasibility of any proposed  
18 utilization of existing public or private educational  
19 facilities and land within or in near proximity to the boundary  
20 of the proposed district, and of contracting with such public  
21 or private institutions for the provision of educational  
22 programs. If the State Board finds as the result of its study  
23 that it is not possible for the proposed district to produce a  
24 desirable program of community college education at a  
25 reasonable cost, it shall provide a brief statement of the  
26 reasons for this decision and shall thereupon cause a copy of

1 the statement to be published in a newspaper or newspapers  
2 having a general circulation in the territory of the proposed  
3 district and no election shall be held or further proceedings  
4 had on said petition to establish such a community college  
5 district. In approving a request for a new community college  
6 district, ~~If approved~~ the State Board shall make ~~submit its~~  
7 ~~findings to the Board of Higher Education for~~ a determination  
8 as to whether or not the proposal is in conformity with a  
9 comprehensive community college program. When the State Board  
10 ~~of Higher Education~~ approves the request for a new community  
11 college, the State Board shall prepare a report of such action  
12 on the petition. The report shall contain a brief statement of  
13 the reasons for the decision and a resume stating why the State  
14 Board deems it possible for the proposed district to provide a  
15 desirable 2-year ~~two-year~~ college program at reasonable cost,  
16 the conditions under which such operation would be possible,  
17 the estimated results of such operation in terms of local  
18 taxes, the nature and probable cost of alternative methods of  
19 providing adequate community college educational opportunities  
20 for students in the territory involved and such other  
21 information as the State Board believes may be helpful to the  
22 voters in such territory in voting on the proposition to  
23 establish a community college district.

24 (Source: P.A. 84-509.)

1           Sec. 3-3. If the State Board ~~of Higher Education~~  
2 disapproves the request for a new community college, no  
3 election shall be held or further proceedings had on such  
4 petition to establish a community college district. If the  
5 State Board ~~of Higher Education~~ approves the request to  
6 establish a community college district, the State Board shall  
7 cause notice of a hearing on the petition to be given by  
8 publishing a notice thereof at least once each week for 3  
9 successive weeks in at least one newspaper having general  
10 circulation within the territory of the proposed district, and  
11 if no such newspaper exists, then the publication shall be made  
12 in 2 or more newspapers which together cover the territory with  
13 general circulation. The notice shall state when and to whom  
14 the petition was presented, the description of the territory of  
15 the proposed district, and the day on which the hearing upon  
16 the petition and the report of the State Board will be held. On  
17 such day or on a day to which the State Board shall continue  
18 said hearing, the State Board or a hearing officer appointed by  
19 it shall hear the petition, present the report and determine  
20 the sufficiency of the petition as herein prescribed, and may  
21 adjourn the hearing from time to time or continue the matter  
22 for want of sufficient notice or for other good cause. The  
23 State Board or a hearing officer appointed by it shall hear any  
24 additional evidence as to the school needs and conditions of  
25 the territory and in the area within and adjacent thereto and  
26 if a hearing officer is appointed he shall report a summary of

1 the testimony to the State Board. Whereupon the State Board  
2 shall determine whether it is for the best interests of the  
3 schools of such area and the educational welfare of the  
4 students therein that such district be organized, and shall  
5 determine also whether the territory described in the petition  
6 is compact and contiguous for college purposes.

8 (110 ILCS 805/3-20.3.01) (from Ch. 122, par. 103-20.3.01)

9 Sec. 3-20.3.01. Whenever, as a result of any lawful order  
10 of any agency, other than a local community college board,  
11 having authority to enforce any law or regulation designed for  
12 the protection, health or safety of community college students,  
13 employees or visitors, or any law or regulation for the  
14 protection and safety of the environment, pursuant to the  
15 "Environmental Protection Act", any local community college  
16 district, including any district to which Article VII of this  
17 Act applies, is required to alter or repair any physical  
18 facilities, or whenever any district determines that it is  
19 necessary for energy conservation, health or safety,  
20 environmental protection or accessibility purposes that any  
21 physical facilities should be altered or repaired and that such  
22 alterations or repairs will be made with funds not necessary  
23 for the completion of approved and recommended projects for  
24 fire prevention and safety, or whenever after the effective  
25 date of this amendatory Act of 1984 any district, including any

1 district to which Article VII applies, provides for alterations  
2 or repairs determined by the local community college board to  
3 be necessary for health and safety, environmental protection,  
4 accessibility or energy conservation purposes, such district  
5 may, by proper resolution which specifically identifies the  
6 project and which is adopted pursuant to the provisions of the  
7 Open Meetings Act, levy a tax for the purpose of paying for  
8 such alterations or repairs, or survey by a licensed architect  
9 or engineer, upon the equalized assessed value of all the  
10 taxable property of the district at a rate not to exceed .05%  
11 per year for a period sufficient to finance such alterations or  
12 repairs, upon the following conditions:

13 (a) When in the judgment of the local community college  
14 board of trustees there are not sufficient funds available in  
15 the operations and maintenance fund of the district to  
16 permanently pay for such alterations or repairs so ordered,  
17 determined as necessary.

18 (b) When a certified estimate of a licensed architect or  
19 engineer stating the estimated amount that is necessary to make  
20 the alterations or repairs so ordered or determined as  
21 necessary has been secured by the local community college  
22 district ~~and the project and estimated amount have been~~  
23 ~~approved by the Executive Director of the State Board.~~

24 The filing of a certified copy of the resolution or  
25 ordinance levying the tax ~~when accompanied by the certificate~~  
26 ~~of approval of the Executive Director of the State Board shall~~

1 be the authority of the county clerk or clerks to extend such  
2 tax; provided, however, that in no event shall the extension  
3 for the current and preceding years, if any, under this Section  
4 be greater than the amount so approved, and interest on bonds  
5 issued pursuant to this Section and in the event such current  
6 extension and preceding extensions exceed such approval and  
7 interest, it shall be reduced proportionately.

8 The county clerk of each of the counties in which any  
9 community college district levying a tax under the authority of  
10 this Section is located, in reducing raised levies, shall not  
11 consider any such tax as a part of the general levy for  
12 community college purposes and shall not include the same in  
13 the limitation of any other tax rate which may be extended.  
14 Such tax shall be levied and collected in like manner as all  
15 other taxes of community college districts.

16 The tax rate limit hereinabove specified in this Section  
17 may be increased to .10% upon the approval of a proposition to  
18 effect such increase by a majority of the electors voting on  
19 that proposition at a regular scheduled election. Such  
20 proposition may be initiated by resolution of the local  
21 community college board and shall be certified by the secretary  
22 of the local community college board to the proper election  
23 authorities for submission in accordance with the general  
24 election law.

25 Each local community college district authorized to levy  
26 any tax pursuant to this Section may also or in the alternative

1 by proper resolution or ordinance borrow money for such  
2 specifically identified purposes not in excess of \$4,500,000 in  
3 the aggregate at any one time when in the judgment of the local  
4 community college board of trustees there are not sufficient  
5 funds available in the operations and maintenance fund of the  
6 district to permanently pay for such alterations or repairs so  
7 ordered or determined as necessary and a certified estimate of  
8 a licensed architect or engineer stating the estimated amount  
9 has been secured by the local community college district ~~and~~  
10 ~~the project and the estimated amount have been approved by the~~  
11 ~~State Board,~~ and as evidence of such indebtedness may issue  
12 bonds without referendum. However, Community College District  
13 No. 522 and Community College District No. 536 may or in the  
14 alternative by proper resolution or ordinance borrow money for  
15 such specifically identified purposes not in excess of  
16 \$20,000,000 in the aggregate at any one time when in the  
17 judgment of the community college board of trustees there are  
18 not sufficient funds available in the operations and  
19 maintenance fund of the district to permanently pay for such  
20 alterations or repairs so ordered or determined as necessary  
21 and a certified estimate of a licensed architect or engineer  
22 stating the estimated amount has been secured by the community  
23 college district ~~and the project and the estimated amount have~~  
24 ~~been approved by the State Board,~~ and as evidence of such  
25 indebtedness may issue bonds without referendum. Such bonds  
26 shall bear interest at a rate or rates authorized by "An Act to

1 authorize public corporations to issue bonds, other evidences  
2 of indebtedness and tax anticipation warrants subject to  
3 interest rate limitations set forth therein", approved May 26,  
4 1970, as now or hereafter amended, shall mature within 20 years  
5 from date, and shall be signed by the chairman, secretary and  
6 treasurer of the local community college board.

7 In order to authorize and issue such bonds the local  
8 community college board shall adopt a resolution fixing the  
9 amount of bonds, the date thereof, the maturities thereof and  
10 rates of interest thereof, and the board by such resolution, or  
11 in a district to which Article VII applies the city council  
12 upon demand and under the direction of the board by ordinance,  
13 shall provide for the levy and collection of a direct annual  
14 tax upon all the taxable property in the local community  
15 college district sufficient to pay the principal and interest  
16 on such bonds to maturity. Upon the filing in the office of the  
17 county clerk of each of the counties in which the community  
18 college district is located of a certified copy of such  
19 resolution or ordinance it is the duty of the county clerk or
